Professional Summary

I am a motivated and reliable candidate seeking an Electrical Apprenticeship. I hold a White Card, Driver's Licence, First Aid & CPR, LF Forklift Licence, and Certificate II in Construction. I have developed strong practical skills through experience in warehouse operations, construction, landscaping, retail, and support work environments.

I have a strong interest in electrical systems, industrial automation, fault finding, and technology. I am safety conscious, physically fit, and eager to learn from experienced tradespeople while building a long-term career in the electrical industry.
